

DASP EXTENDED SERVICES

Community Access

Our schools provide the wider community with increased access to school facilities.

Childcare

Our schools provide access to childcare provision, either on-site or signpost parents to a private local provider.

Parent Support

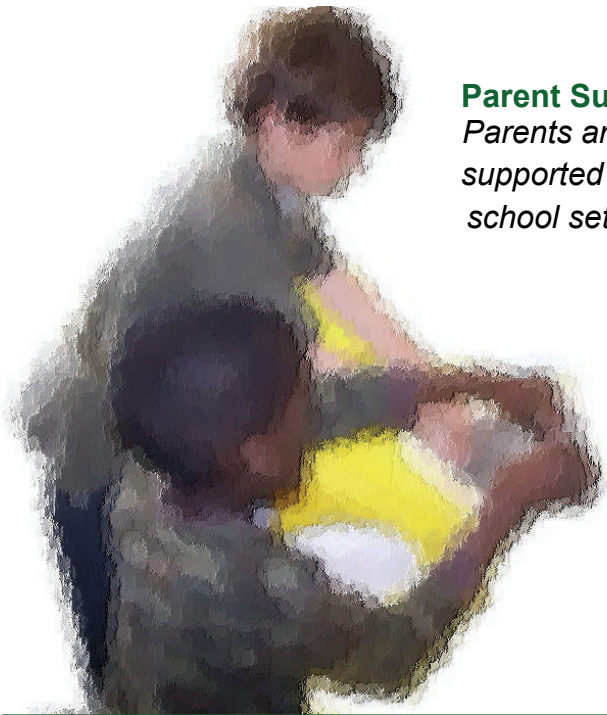

Parents are well supported in our school settings.

A Varied Menu of Activities

All pupils in our schools have access to a variety of activities during and outside the school day.

Swift and Easy Access to Specialist Support

Our schools act as a contact point for families to access a range of support services.

All DASP Schools have achieved Extended Schools status, but continue to develop their extended services. The developments include:

Family Learning Peer Mediation Transition Support Adult Education

For further information, or to inform us of your ideas please contact:
